Mission

Our mission is simple yet urgent: **Wining the lost all cost.** Inspired by the great commission and grounded in the Words of Jesus Christ found in **Luke 9:1-5** we believe we are called and empowered to go out to preach, and to demonstrate the Kingdom of God through the preaching of truth, healing and freedom. Just as Jesus sent out the twelve disciples with power and authority to preach the the kingdom of God drive out demons, heal the sick, so too we are commissioned today **Luke 9:1-5** reminds us that the call to reach the lost is not passive- its an active, spirit -empowered mission.

Vision

Our vision is to see lives **set free to become all that God created them to be.** We are dedicated to **brining freedom and healing to both the lost and the found,** through the living, transformative Words of Christ Jesus. Whether someone is encountering the Gospel for the first time or growing deeper in their walk with God, we believe true freedom is found in knowing Jesus and living according to His Word.

Values | Our values are the foundation of who we are, what we do, and how we serve. They are not just guiding principles- they are a reflection of the heart of Jesus, and we are committed to living them out on every area of our ministry and daily lives.

Love: At the core of everything that we do is love. As God's people, we are called to love unconditionally , just as Christ loves us. Whether we are speaking, leading, or reaching out, love will always be our motive and our message.

Spirit-Led: We are not led by human wisdom, opinions, or agendas- we are led by the Sprit of God, In every decision, direction, and interaction, we seek the guidance of God's Spirit. When God's spirit leads lives are changed and His Will is accomplished.

Inflexible Truth: We stand firmly on the unchanging truth of God's Word. In a world that often shifts standards, we remain rooted in Scripture-never compromising, never adjusting God's truth to fit culture trends or moral decline. We boldly proclaim and live by the truth of Gods Word regardless of the cost.

Excellence: We strive for excellence in everything that we do, because we serve a excellent God. From the way we lead to the way we love, we are committed to doing all things with integrity, passion and purpose. Just as Jesus walked in excellence, we aim to reflect that same standard in our ministry.
